effects on their rights under a Transaction Document to which they are a party.

8 REPLACEMENT REFERENCE RATE

- 8.1 In the event that a rate of interest payable pursuant to any Transaction Document other than under the Covered Bonds or pursuant to the CBC Account Agreement, is determined by reference to a benchmark and the Issuer (or, after the occurrence of an Issuer Event of Default, the CBC) determines that a Benchmark Event has occurred, the Issuer (or, after the occurrence of an Issuer Event of Default, the CBC) will, as soon as reasonably practicable (and in any event prior to the next relevant date on which the interest payable pursuant to such Transaction Document other than under the Covered Bonds or pursuant to the CBC Account Agreement must be determined (the "**Interest Determination Date**"), appoint an Independent Adviser, which may determine in its sole discretion, acting in good faith and in a commercially reasonable manner, a substitute, alternative or successor rate for purposes of determining the relevant Reference Rate on each Interest Determination Date falling on such date or thereafter that is substantially comparable to the Reference Rate that is available or a successor rate that has been recommended or selected by the monetary authority or similar authority (or working group thereof) in the jurisdiction of the applicable currency. If the Independent Adviser determines that there is an industry-accepted successor rate, the Independent Adviser will use such successor rate to determine the relevant Reference Rate. If the Independent Adviser has determined a substitute or successor rate in accordance with the foregoing (such rate, the "**Replacement Reference Rate**") for purposes of determining the Reference Rate on the relevant Interest Determination Date falling on or after such determination, (A) the Independent Adviser will also determine changes (if any) to the business day convention, the definition of business day, the interest determination date, the day count fraction and any method for calculating the Replacement Reference Rate, including any Adjustment Spread, in each case in a manner that is consistent with industry-accepted practices for such Replacement Reference Rate; (B) references to the Reference Rate in any such Transaction Document will be deemed to be references to the relevant Replacement Reference Rate, including any alternative method for determining such rate as described in (A) above (including the Adjustment Spread); (C) the Independent Adviser will notify the Issuer (or, after the occurrence of an Issuer Event of Default, the CBC) of the foregoing as soon as reasonably practicable; and (D) the Issuer (or, after the occurrence of an Issuer Event of Default, the CBC) will give

notice as soon as reasonably practicable to the parties to such Transaction Document specifying the Replacement Reference Rate, as well as the details described in (A) above.

- 8.2 The determination of the Replacement Reference Rate and the other matters referred to above by the Independent Adviser will (in the absence of manifest error) be final and binding on all parties to such Transaction Document. If the Independent Adviser is unable to or otherwise does not determine a Replacement Reference Rate or any of the other matters referred to above, then the Replacement Reference Rate will be the same rate as the rate applied in the previous period when the relevant Reference Rate was available (and thus becomes a fixed rate until a new Replacement Reference Rate is determined).

9 NO DISSOLUTION, NO NULLIFICATION

To the extent permitted by law, the parties hereby waive their rights pursuant to articles 6:265 to 6:272 inclusive of the Dutch Civil Code to dissolve (*ontbinden*), or demand in legal proceedings the dissolution (*ontbinding*) of, this Agreement. Furthermore, to the extent permitted by law, the parties hereby waive their rights under article 6:228 of the Dutch Civil Code to nullify (*vernietigen*), or demand in legal proceedings the nullification (*vernietiging*) of, this Agreement on the ground of error (*dwalings*).

10 PARTIAL INVALIDITY

The illegality, invalidity or unenforceability of any provision of the Transaction Documents or any part thereof under the law of any jurisdiction shall not affect its legality, validity or enforceability under the law of any other jurisdiction nor the legality, validity or enforceability of any other provision. In the event that a provision of a Transaction Document is invalid, illegal, not binding, or unenforceable (either in whole or in part), the remainder of such Transaction Document shall continue to be effective to the extent that, in view of such Transaction Document's substance and purpose, such remainder is not inextricably related to and therefore inseparable from the invalid, illegal, not binding or unenforceable provision. The parties shall make every effort to reach agreement on a new clause which differs as little as possible from the invalid, illegal, not binding or unenforceable provision, taking into account the substance and purpose of such Transaction Document.

11 MISCELLANEOUS

Unless the context requires otherwise, terms defined in the plural include the singular and vice versa.

12 GOVERNING LAW AND JURISDICTION

- 12.1 This Agreement, including Clause 12.2 hereof, and any non-contractual obligations arising out of or in connection with this Agreement shall be governed by and construed in accordance with the laws of the Netherlands.
- 12.2 Any disputes arising out of or in connection with this Agreement, including any disputes relating to any non-contractual obligations arising out of or in connection with this Agreement, shall be submitted to the exclusive jurisdiction of the competent court in Amsterdam, the Netherlands.
